

Employee Engagement Activity

Republic Day

Flag Hoisting

At Margdarshak Branches

26th January, 2018

We from Margdarshak displayed our patriotic sentiments hoisting the **Tricolour** in our branches across UP, Bihar and Haryana. We acknowledged our country's historic event by paying homage to the National Flag.

Penetrating the dense fog on locations, our employees arrived at the branches in the morning. Some, along with their family members. The severe cold and the dense fog failed to bring down our enthusiasm and love for our great nation spread the warmth throughout all the locations .

Breathing fresh patriotic air on **Republic Day** morning and expressing one's emotions for the nation is priceless.

Representatives from Head Office graced each location. They even motivated and inspired the lot by remembering the leaders of our past uplifting the participants by sharing stories. As customary, we sang our National Anthem with our hearts when our **Tricolour** was unfurled. We clicked pictures, selfies, groupies and shared it throughout various social media platforms.

We are grateful to all the staff and their family members who whole-heartedly participated in the event. Their delightful presence was just the perfect icing on the cake. Also their participation with great enthusiasm and keenness lit up the whole ambience and the aura of the branches in all locations.
